Dear Patricia,  
I am most suprised to hear you have not recieved our Master Card payment for US.\$215.00 for the small entity National Phase application.  
On the original application form we filled in and signed the section for credit card payment, under the name Lee Shian Ma, for US \$215.00.  
At this moment we are in China working and will not return to New Zealand before the end of September. We have therefore arranged an American personal cheque for US.\$215.00 to be sent to you by Miss Shu-Chin Ma, Mrs Lee Shian Ma's daughter who lives in the USA.  
As soon as I return to New Zealand I will send you copies of the orriginal application by fax.to you.  
I trust this action will will correct the situation.  
Yours Truly,  
John B. Harrison.  
P.S.Mr & Mrs Ma are my personal friends.
